Locating Journal Articles @ SHSU

Do you have the *citation* to an article (e.g., the journal title, author, article, date, etc.)?

**NO**

1. Visit the SHSU Library homepage at library.shsu.edu
2. Click “Articles & More”
3. Click the content or subject area relevant to your topic
4. Select one of the listed databases to search for and locate articles
5. If the article is not readily available full-text, check for Online Access

**YES**

Check for Online Access

1. Visit the SHSU Library homepage at library.shsu.edu
2. Click “Articles & More”
3. Click the content or subject area relevant to your topic
4. Select one of the listed databases to search for and locate articles
5. If the article is not readily available full-text, check for Online Access

Check for Print Access

1. Visit the SHSU Library homepage at library.shsu.edu
2. Click “Books & Media”
3. Enter the title of the Journal and change “Keyword” to “Periodical Title”
4. Click “Search”
5. If SHSU has the Journal, it will appear in the search results list
6. Click on the title to find the location.

Did you find your article?

**NO**

Did you find your article?

**YES**

Congratulations!

Ask a Librarian via Chat on the SHSU Library homepage or Call 936.294.1599 or visit the Library Service Desk for assistance

Request the article from Interlibrary Loan Services

1. Visit the SHSU Library homepage at library.shsu.edu
2. Click “Services for…” and select “Interlibrary Loan”
3. Click “Place an Interlibrary Loan…” (Create an account if you are a First Time User)
4. Log on to ILLiad
5. Under New Request, click “Journal Article” and fill-in the information (This may automatically populate when searching in a database for articles SHSU doesn’t have in print or via online)
6. Click “Submit Request”
